

## 2025 Costume Exhibit Submission Form

Thank you for your interest in exhibiting your work at Costume College!  
(Please submit one Form Per Submission; Multiple Submissions are Welcome)

The theme this year is “HOW FAR WE’VE COME”. We’d like to display all the possibilities of costumes in any genre that are made by our attendees: cosplay, historic, SciFi, fantasy, Lolita, goth, steampunk and anime. They will not be judged. You can be a beginner, or an experienced costume maker; all are welcome. Submissions should include a short paragraph telling us about your first costume and how it led to the costume you’re submitting that will be displayed with it.

**Your costume must remain in the Exhibit until takedown on Sunday at 3pm-5pm. The doors are locked overnight.**

**Your costume submission will NOT be available for patrons to touch.**

This is an opportunity for patrons to see finished items closeup but not touch. Please provide the following information so that the Exhibit Committee can plan the most inspiring exhibit possible. We do our best to include as many displays as space allows but at times, we are unable to include all the amazing work submitted. **Submissions are due by June 30th.** The Exhibit Committee will be in touch with you no later than July 7th regarding acceptance of your submission(s).
